Winding Tree ICO starting on February 1, 2018

[Follow this guide](#) on How To Participate in the ICO. The guide covers everything you need to know to participate, and our team will be happy to

answer any additional questions via [Telegram](#). We will be sending out an official token sale start reminder via this newsletter on February 1st as well, so keep an eye for it.

Jaxx is the integration wallet of our project

For the sake of making participation in the ICO easy even for beginners — we've integrated with [Jaxx wallet](#). It offers a very simple and straightforward setup and instructions for ICO participants which are available in our guide.

Winding Tree Demo App is Out!

The team has been working hard on building a hotel demo app on the Ethereum testnet — [see it in action](#)! We're also super stoked to see our community actively working on tutorials for the platform. Check out this [excellent tutorial](#) from one of our community members!

Winding Tree New Token Standard is accepted in Zeppelin Solidity!

This is exciting news for the developers community — Winding Tree team has been working on a new and more powerful token standard — ERC827 (ERC20 extension) which is being used in Zeppelin Solidity 1.6.0 since yesterday. Bravo for the team!
