A person in a red and black space suit is floating in a green field. A butterfly is flying above them. The background is a gradient of green and blue.

WINDING TREE HACKATHON PRAGUE

October 24-25, 2018

Here We Go!

1. **Full schedule** and locations details are [here](#). Open this page on your mobile device and use it for your reference at the hackathon. There will be no printed booklets, banners or other paper wasting artifacts.
2. Come early, get your badges, grab some breakfast and coffee and meet fellow hackers. **Registration** is open from 8am on both days, **breakfast** is served from 8am as well.
3. **Venue:** super stoked to host our hackathon at one of the most favorite hubs of the crypto community in Prague — [Paralelni Polis](#). Enjoy the neighborhood as well — our friends at Devcon have officially named it [“cryptoanarchist’s paradise”](#).

4. Don't feel like hacking or want to bring guests? There's plenty to do for non-hackers— get **Attendee Tickets** [here](#) and join us for keynotes, tech talks, networking sessions, hack demos and the after party.
5. Not making it to Prague? [Signup for free livestream](#) of our **tech talks**.
6. Our entire team and tech mentors will be available for you at the hackathon. Need info, advice, clarification — just grab someone wearing **this badge**:

7. **Hackers**, check out Hackathon Rules below & other hackathon resources on [Github](#):

#HackTravel Hackathon Rules

We're getting ready to roll at Winding Tree #HackTravel Hackathon. Our team is stoked to bring together airlines...

blog.windingtree.com

8. **Hackers**, check out #HackTravel Hackathon Challenges [here](#). You're free to hack any idea of your choice, but if you choose to hack one of the challenges — we got **5 x \$1,000 prizes for you PLUS** sponsors' prizes.

9. **Hackers**, check out Winding Tree **developer resources** [here](#), Hackathon info [here](#) and for deeper dive — check out our [Dev updates](#), join [Google Group](#) and learn about our development process:

Development process in Winding Tree

In every project, there is always a communication gap between developers and managers. Be it small or huge, there...

blog.windingtree.com

10. Let's talk — ask us questions about Winding Tree platform and the challenges on [Github](#). Talk to fellow hackers and attendees on Status. Join our public chat [here](#), first time users will also need to follow installation steps [here](#) (via TestFlight on iOS or Play Store on Android). Drop your questions, hack ideas or just simply introduce yourself — our team will be happy to hear from you. Status is in beta right now and our community has a chance to make a big contribution into testing **the first decentralized chat client**. We ask you to be patient in case you encounter a bug — be helpful and report it.

11. ^ Segwaying into bounties — we are setting up a [**bunch of cool bounties**](#) via Bounties Network, earn bounties for things like introducing yourself, posting questions and voting on hacks.

12. Follow live tweets, share photos and connect to fellow hackers: tweet [@windingtree](#) / [#HackTravel](#)

13. We're part of **Prague Blockchain Week** — leverage your time while you're in Prague and check out other events [here](#). Our team will hack at Status and will be joining Devcon as well.

14. Join us at our #HackTravel After Party — everyone is welcome, hackathon badges holders get in for free. **BONUS:** we'll announce hackathon winners during **Hacker Awards** at the after party — come celebrate with the community! Timing & location [here](#).

15. Reminder: Winding Tree Hackathon participants have the opportunity to get automatically enrolled into **Status Hackathon** to hack dapps with us —

more on that [here](#). To join us at Status register [here](#) and in the field “Your background” add “Hacking with Winding Tree”.

16. Last but not least — huge shoutout to our hackathon **sponsors:**

and to all the major industry players and innovators that will hack with us:

• • •

Looking forward to hacking travel with you,

The Winding Tree team.
