For this update, we are just about done with our next update and it is just around the corner, you can read more on that [here](#). In short, we will be deploying these changes on March 13th. Please make sure if you are using our demo or playground environments that you make necessary updates as the changes will break previous formats.

We are also reiterating our [booking.protocol](#) based on some great feedback we have received.

Thank you for your continued support and patience! If you have any questions, join our [Telegram](#), any technical discussion should go to our [Google Group](#). If you want to contribute, a good place to start is our [GitHub](#).
