If you work in a Web3 company or you travel with frens in a bigger group, we have the solution for you. Using WIN Group Bookings mode you will be able to get the best deals during your stay and pay for your stay in stablecoins. Here's what you need to know:

Contents:

1. *Group Booking Flow*
2. *The Refundable Deposit*
3. *Cancellation Policies & FAQs*

How it works

Visual representation of the Group Booking flow at win.so

1. Fill out the search bar *with at least 10 rooms selected*.
2. As usual, you select a hotel.
3. Once you've chosen a location, choose what kind of rooms* you want to stay in.
4. An estimated price will then be displayed on the right side of the page.
5. You'll then be asked to fill out some basic details that will be shared with the hotel for confirmation purposes**.

6. **Optional:** If you need an official invoice, please ensure to fill out the second section on the page; this can be on behalf of an organization or an individual
7. Based on your estimated price shown in Step 4, you will be asked to pay a 10% **refundable** deposit upfront to get your quotation (more details below).
8. Upon completion of the transaction, we'll get back to you within 2 **working days** with the best offer from the hotel.
9. Once the best offer has been sent to your email, you can:
 - A) Accept the offer and pay the outstanding balance.
 - B) Decline the offer and get your deposit back.

**At a minimum, please select 10 rooms or you will be unable to continue in this process.*

***WIN guarantees that your information will not be used for any other purpose other than for booking use.*

The Refundable Deposit

People tend to ask: *Why do I need to pay a deposit?*

This is vital to the booking process as we pre-book the rooms to ensure you get the best prices possible. The good thing is that if you choose not to go forward with a specific hotel or offer, you can get it back.

Just wait for your offer to land in your inbox then you'll be given steps to accept or decline it.

Q: What about gas fees?

We will cover the gas fee upon your request to refund the deposit.

Cancellation Policies

For ALL bookings: Cancellation policies are hotel-specific. We do NOT set one policy for all the hotels listed on WIN.

In general, the larger the value of the booking is, the more flexible it is (but this is not a universal rule). When you cancel a booking, your funds in escrow on the WIN-pay smart contract will refund the address that originally made the booking.

For group bookings: After you have received your offer from the hotel and don't want to proceed further with the offer, the deposit will be returned to the original address that made the booking.

That is all you need to know before booking your next trip to beta.win.so
